Smart streaming TV with dual channel

This is television, for all those who are excited, cheer, learn, fight, stream, play and admire. For the perfect balance between high-tech and slow-down. For a new perspective on what really drives you. For you. With the latest technology, the Ultra HD OLED Streaming TV not only impresses with an immense colour spectrum and brilliant high-contrast images, but also with the incredible depth effect - for perfect colours and shapes from every angle. With a total music power of 60 watts, the Ultra HD OLED Streaming TV provides an invisible sound experience. The new We. SEE oled with dual channel technology is made for your individual feel-good programme and is always perfectly in tune with what you need: inspiration, innovation or concentration.

Streaming apps and dual channel

All key streaming services at the single touch of a button. Netflix, YouTube, Apple tv+, and more. Alexa Skills, Apple AirPlay and Matter support full control and easy content sharing. The dual channel technology with twin triple-tuners allows parallel USB recording and USB timeshift while watching another live TV program.

Ultra High Definition OLED with HDR

Brilliant TV experience with Ultra HD resolution accompanied by a full range of HDR formats including Dolby Vision based on the latest generation of slim OLED panels. Flexible connectivity with HDMI 2.1 inputs including Ultra HD @ 120 Hz VRR ensures full support of latest game consoles.

Invisible sound with Dolby Atmos

Dolby Atmos delivered by 60 watts total music power from the integrated invisible speakers provides a pleasant sound experience for every day and every source, whether watching television program, streaming series or enjoying a movie night.
