

Powerful 9-Channel Amplifier

Featuring discrete high-current amplifiers on all channels, the AVC-X3700H delivers high-power performance at 180W per channel to ensure a powerful and precise entertainment experience, every time. Upgrade your expectations in home theatre entertainment.

Ultimate Home Theatre Experience – 8K Ready

The AVC-X3700H delivers the ultimate home theatre experience with 8K/60Hz pass-through, 4K/120Hz pass-through for gaming, and support for the latest HDMI specifications. It lets you build the best 4K home theatre today and gives you the comfort of knowing that your AV amplifier is 8K ready when you are. Enjoy the highest quality 3D audio and video for even the most demanding entertainment needs.

Full 3D Audio Support

Immerse yourself in 3D audio with Dolby Atmos, Dolby Atmos Height Virtualization Technology, DTS:X, DTS Virtual:X and IMAX Enhanced. The AVC-X3700H supports up to 11.2 channel processing with 9-channel amplification. Add your choice of 2-channel power amplifier to fill-in extra 2-channels and build a 7.2.4 Atmos theatre for a more immersive, 3D audio experience.

Advanced 8K HDMI Video Section with eARC and Various HDR Format Support

Enjoy your favourite movies, shows and games with the best picture quality available. The AVC-X3700H features an advanced HDMI section (7 in/3 out) with a dedicated 8K input that will support 8K/60Hz and 4K/120Hz video pass-through and upscaling. All HDMI inputs feature HDR10, HDR10+, Dolby Vision, Hybrid Log Gamma (HLG), Dynamic HDR, 3D, and BT.2020 pass-through support for exceptional colour, clarity and contrast.

The Next Generation in Gaming

With the latest in HDMI support, the new AVC-X3700H will take your gaming to the next level. Enjoy gaming with 4K/120Hz pass-through and upscaling, as well as Variable Refresh Rate (VRR), Quick Frame Transport (QFT), and Auto Low Latency Mode (ALLM), which reduces or eliminates lag and frame tearing to offer a smoother, lag free gaming experience.

Works with your favourite voice services:

Use your voice to control the AVC-X3700H and wireless music services hands-free with Amazon Alexa, Google Assistant and Apple Siri.
